

NFC Informatics Frameworks Using Dr.Racket + Android Systems -> A Novel Suggestion.

Nirmal - Informatics R&D - Current Member - antE Inst UTD Dallas TX USA.

[I] Main Idea + Inspiration + Introduction :

Dr.Racket based LoP w.r.t Hardware Testing/Verification by using Android + Video DSLs + Redex/AAM + Deep Learning + Macros.

Shown below is our Simple R&D Framework : @ present we are using only Dr.Racket in our R&D Programs.
